Can you work me in on Sunday afternoon or Sunday? I'll be in DC on Friday, but should be able to get back to work by then. Thanks, Kay PS If there is anyone in Houston I can talk to about what happens to my \$10K then I would appreciate that, too. Anne Marie--I'm trying to follow up with you. Are we agreed that the information I provide is needed to determine the amounts owed to each entity under the guaranties? Thanks. The combination of bone morphogenetic protein 7 and vascular endothelial growth factor-C synergistically induces chondrogenic differentiation of human adipose tissue-derived stem cells. Cartilage-conductive tissue-engineered grafts are promising for the repair of damaged cartilage. The effective induction of chondrogenic differentiation of adipose tissue-derived stem cells (ADSCs) is
